

## THE PARTNERSHIP

We are asking you to join with a Montana Indigenous Indian (Bruce Plummer) and his family as they labor in God's Kingdom among the Indian peoples of Montana.

With your prayers and financial support we will be able to reach out not only to all seven Indian Reservations but to the many urban-based Indians in Montana as well.

Montana is home to the Sioux, the Chippewa Cree, the Assiniboine, the Gros Ventre, the Blackfoot, the Northern Cheyenne, the Crow, the Salish, the Kootenai, the Pend d'Oreille.

Most are in need of the saving knowledge of our Lord Jesus Christ. Let's labor together in reaching Montana's Indians with the Gospel Message.

ONE EARTH, ONE PEOPLE, ONE GOD

*"Whatever you do, work at it with all your heart, as working for the Lord, not for men," Col 3:23*

## THE CHALLENGE

The question is really very simple. How do we reach the Native Americans (Indians) in Montana with the Gospel Message of Jesus Christ and help them come into the Kingdom of God?

The Church has been trying for over one hundred fifty years without much success. Yet after millions of dollars spent and hundreds of lives committed to the cause, it appears that we have reached only 1.5% percent of Indians in Montana who are willing to attend church on any given Sunday. It is obvious that the current model or paradigm being used is not working, so we must fix it.

Henry Blackaby once said, ***“God has a way when He has a heart committed to believe Him.”*** God has shown us a unique way of reaching out to the Indians in Montana. Will you join hearts with us in believing God? Will you become a part of a servant’s—heart ministry?

## THE OPPORTUNITY

You have the opportunity to work directly with or support the work being done with one of the Indigenous Indian Tribes in Montana who still consider themselves a tribal people—a forgotten people right here in the United States. It’s a mission field in your backyard—your “Samaria”—an opportunity to be a part of a Servant’s Heart Indian ministry.

## THE VISION

We desire to come to a clear understanding of the plan that God has for reaching the 63,000 plus Montana Indians with the Gospel Message of Jesus Christ and then to come alongside God to do all we can to help Him implement that plan in a timely manner.
